46 User Letter- Guidance on Complaint Process for Segrate Products

Version 6.0
Effective date: 2025-04-25
Applicable to: Segrate products, CQU, GBS & EM RQU

This User letter provides guidance on processing of complaints related to Dermatology Products sold to Leo Sales Organization until MAH transfer is finalized. When receiving complaints two scenarios for complaint handling are applicable:

Scenario 1: A small part of Segrate products will stay with Bayer and Leo / Istituto di Angeli will produce as long-term CMO for Bayer. Complaints for these products will be handled by EM Consumer Health. Please find below the SKU list and the process to handle complaints.
