1 Scope and Framework

1.1 Scope

Bayer Country Quality Units are accountable for a GMP compliant Product Technical Complaint Management within their respective countries. Within this responsibility they are supported by the respective Global Business Service in process steps like complaint initiation, classification forwarding for investigation to the RQU, and final approval including complaint sample management and reimbursement process.

This SOP defines clear guidance to the Global Business Service regarding all country specific requirements.

1.2 Framework

This SOP is based on principles and requirements outlined in SSC-PTC-SOP-001 “Manage Product Technical Complaint and Suspected Counterfeit Incidents in GBS”.

2 Abbreviations

AE	Adverse Event
CMO	Contract Manufacturing Organization
CQH	Country Quality Head
CQU	Country Quality Unit
GBS	Global Business Service
OTC products	Over-the-counter products
PTC	Product Technical Complaint
PV	Pharmacovigilance
RQU	Responsible Quality Unit

3 Purpose & Set-Up

3.1 Purpose

Country Specific Requirements for United Kingdom, Ireland and Malta are described in this SOP, regarding e.g. Data Privacy, Sample Handling Process, Reimbursement Process, Contacts, escalation rules.

During the processing of all PTCs by Bayer owned Global Business Service all country specific requirements are considered and followed besides the general complaint handling described in the SSC-PTC-SOP-001 “Manage Product Technical Complaint and Suspected Counterfeit Incidents in GBS”.

3.2 General guidance

The employees of Global Business Services follow the SOP during complaint processing in the complaint database on behalf of the Country Quality Units.

3.3 Roles and responsibilities

GBS team	- Enters PTCs, Suspected Falsification including Counterfeit Incidents and Usability Issues according to defined timelines in a timely manner, entering them into the global complaint database in English language - Organizes missing information and asks CQU for any support contacting the complainant if not possible/allowed by GBS (e.g. data privacy, non-hosted language) - Performs the initial intake of complaints after receipt - Informs the CQU about all PTCs where local authorities are involved, about all potential falsifications including counterfeits and any other cases described in this SOP - Informs the respective PV about all PTCs with a potential associated AE or LODE or potentially reportable medical device complaints, including the unique complaint database number and all relevant follow-up information - Forwards the case to the respective RQU for further assessment - Initiates the process of sample shipment if requested by RQU or specified in any other guidance document - Reviews the case for plausibility and closes the complaint case in complaint database - Sends out standard response letters in case it is agreed with the CQU - Supports the process for reimbursement management - Forwards all cases that are not PTCs back to the CQU or to the appropriate function for further processing
Country Quality Head (CQH) / Country Quality Unit (CQU)	- Is responsible for regular KPI evaluation to get overview of complaint activities at the GBS - Supports the GBS in organizing missing complaint information - Organizes the complaint sample and sends it to the RQU if requested. - Sends out the Response Letters to the complainants as requested and agreed with the GBS - Contacts local CMO on request of GBS as RQU to get investigation reports from the respective CMO - Ensures that all changes within the country law and regulation are directly notified to the GBS and that the Country Specific SOP is updated

4 Specific requirements regarding PTC handling

4.1 Country Specific Requirements listed by different topics

Description	Assigned Roles & Document Reference

4.1.1 General Information

In United Kingdom the company operates under legal entity Bayer Public Limited Company. The Headquarter is located in:

400 South Oak Way
Reading
RG2 6AD (Great Britain).

In Ireland the company operates under legal entity Bayer Limited. The Headquarter is located in:

1st Floor, The Grange Offices
The Grange
Brewery Road
Stillorgan
Co. Dublin
A94 H2K7

The Ireland organization of Bayer represents the interests relating to PTC handling of Malta.

4.1.2 Contact list

Current name and e-mail address of CQH and CQH deputy are found on the QINT SharePoint:

https://bayergroup.sharepoint.com/sites/oneqint/SitePages/Who%20are%20we.aspx#country-quality-list

UK/IE Quality PTC group address: *ukiecomplaintqueries@bayer.com*.

4.1.3 Escalation Rules

GBS

The CQH and the CQU should be notified via notification/immediate action in the complaint database about any complaint case referring to at least one of the following situations:

- Suspected Falsification including Counterfeit Cases (notification)
- Any cases involving Health Authorities **UK**: DMRC (Defective Medicines Report Centre), **IE**: HPRA (notification)
- Cases with final risk category high or medium or confirmed falsification including counterfeit cases (escalation via immediate action)

Description	Assigned Roles & Document Reference
Remark: The current names and e-mail addresses of the CQH and the CQH deputy are found on the QINT SharePoint: *https://bayergroup.sharepoint.com/sites/oneqint/SitePages/Who%20are%20we.aspx#country-quality-list* **Escalation of non-PTC cases:** Any feedback/reports for CH products which are non-PTCs should be forwarded to *consumerhealthuk@bayer.com*. Any feedback/reports for PH products which are non-PTCs should be forwarded for United Kingdom to *medical.information@bayer.co.uk* and for Ireland to *medinfo.ireland@bayer.com* **Escalation of legal queries including any queries regarding compensation:** Any legal queries regarding PTCs, including where complainant makes any hint of requiring compensation or mentions incurrence of an associated cost or correspondence regarding claims should be forwarded to CQH or CQU. GBS should not contact with the reporter. If additional information required, CQU will request it for GBS.	
4.1.4 Pharmacovigilance cases If a complaint case is related to any type of Adverse Event, the Pharmacovigilance department has to be informed via the following e-mail address: Pharmacovigilance UK and Malta: *pvuk@bayer.com* Pharmacovigilance IE: *ADR-Ireland@Bayerhealthcare.com.*	GBS
4.1.5 Product Samples In case the sample is deemed necessary by GBS or required for investigation, GBS starts the process of obtaining sample by sending standard acknowledgment letter containing a request for a sample (Annex 2.1, or 2.2 for Ireland). Sample is shipped using DHL courier services. All necessary information such as full postal address, contact telephone number and address where the sample should be shipped to is forwarded to CQU who is responsible for creating DHL waybill number. Once created, CQU sends the instruction to the GBS (including the DHL Airway Bill number provided by UK CQU), alongside the DHL Document/s. GBS forwards the instruction to the reporter. **Note:** Annex 2.1 contain different statements, which can be included into acknowledgment letter or not depends on existing/missing information related to the case.	GBS CQU

Description	Assigned Roles & Document Reference

Product samples in Malta

If a complaint sample is available and is required, GBS asks Alfred Gera & Sons Ltd. to collect and return sample to UK office.

The responsible person at Alfred Gera & Sons Ltd is Katrina Grech *kgrech@alfredgera.com.*

Remark

See 4.1.13.1 for information about sample retrieval for Breelib.

See 4.1.12 for Information about sample retrieval for Diprobase Advanced Cream for UK and IE.

4.1.6 Statement letter

GBS
CQU

Acknowledgement Letter when a complaint comes in:

After a complaint is handed in, an immediate acknowledgement of receipt is sent out to the complainant.

GBS sends acknowledgment letter to complainant using Annex 2.1 for UK or for Ireland Annex 2.2.

Acknowledgement Letter when a complaint comes in from Medical Information:

- **Consumer Health** reports are handled by Conduent on behalf of Bayer CH UK Medical Information.

  After a complaint is handed PTC Officer sends acknowledgement and GBS reference (SSF number) to *consumerhealthuk@bayer.com*, as requested in the Conduent's email.

  Note: Consumer Health Medical Devices – Usability Issues.
  If the complaint is regarding a Usability Issue (e.g. a UE or CSI) or an AE for a CH medical device, it is logged in IQMS, however the acknowledgement back to *consumerhealthuk@bayer.com* should state that it will be logged as a UI (or AE / UI plus AE) only by Quality. If a response or refund is requested by the customer, this should be handled by Consumer Health. GBS sends acknowledgment letter to complainant using appropriate annex to obtain the batch number, not sample and without the reimbursement/replacement statement.

  If the sample is declared to be available and requested to be sent for the investigation by RQU, the reimbursement is provided by Quality.

- **Pharmaceuticals** reports are handled by Conduent.

  After a complaint is handed, an automatic reply is sent out to Conduent.

Description	Assigned Roles & Document Reference

Response Letter before closing:

Response letters are sent out if requested by complainant or if the case involves the Health Authority (i.e. includes a reference to DMRC, the Defective Medicines Report Centre)

PTC+AE cases (AE only) involving Authority but initially received from Pharmacovigilance are exceptions from this rule and do not require preparing response letter by Quality unless requested.

In certain case when response is required PTC Officer notifies CQU about that and provides the complaint ID. CQU sends response to complainant and then provides the pdf copy to PTC Officer. PTC Officer attaches copy of response to the attachment section before case closure.

4.1.7 RQU Contact list

GBS

A table with all available products in the country, needed for entry into the complaint database, is available on SharePoint: go/ptcops.

For CH products registration status in the respective country as well as Manufacturing Site are available via SYNAPS: go/synaps.

List with the respective RQU contact names are provided by the Divisional Quality Assurance function and available on the SharePoint:

PH: *PH RQU responsible list_HJ.xlsx*

CH: *IQMS_MASTER LIST COMPLAINT RESPONSIBILITIES.xlsx*

4.1.8 List of Local Opportunities Products

N/A

4.1.9 Data Privacy Requirements

IQMS entries regarding complaints being a private individual may contain name and address. A Data Privacy Statement is provided to the complainant upon receipt of each notification email to *qualitycomplaints@bayer.com*. The reply contains a link to the full data privacy statement.

There are no restrictions in personal data flow between United Kingdom, Ireland, Malta and Poland, provided that the complainant is granted adequate information about the processing (transfer included) of their personal data.

4.1.10 Gathering additional information (including obtaining translation)

GBS
CQU

In case when the CQU receives a complaint firstly by a phone, then Product Complaint Form (see Annex 1) is used to document received information. The CQU sends this form to the GBS via e-mail as soon as possible, because timeline starts when phone complaint is received by the CQU.

Description	Assigned Roles & Document Reference
4.1.11 Reimbursement and Replacement **CH complaints from patients/consumers:** For CH products the complainant receives either a replacement pack or voucher from CQU. PTC Officer prepares the written letter with Bayer reference (SSF number) and sends to CQU by email (see Annex 2.1). The written letter is prepared on official company letterhead (Annex 2.3) CQU prints the written letter and sends to consumer a replacement pack or voucher. Once the letter is sent out CQU forwards it to PTC officer who adds it into the attachment section. **PH complaints from patients/consumers:** Only if requested by patient, PTC Officer advises consumer to return the sample to the pharmacy and ask the pharmacy to contact *qualitycomplaints@bayer.com* using the reference number for advice regarding the sample return and reimbursement (see Annex 2.1). **CH and PH complaints from non-direct customers (e.g., pharmacy):** PTC Officer advises non-direct customers to request reimbursement from their wholesaler if necessary (see Annex 2.1). **CH complaints from wholesaler:** Only if the reimbursement was requested, PTC Officer sends an email to *Orders-uk@bayer.com* attaching case details, provides the complete delivery address and PO number for the complained product if available, and requests a credit note. PTC Officer informs complainant that the reimbursement will be arranged by our Customer Service department (see Annex 2.1). **PH complaints from wholesaler:** PTC Officer forwards the request to CQU to assess whether Product Manager's approval is required before offering reimbursement to the complainant (see Annex 2.1). **PH/BT Hospital complaints:** Only if the reimbursement was requested, for PH/BT products (e.g. Eylea vials and Pre-filled Syringes, Ciproxin Suspension), PTC Officer sends an email to *Orders-uk@bayer.com* attaching case details, provides the complete delivery address and PO number for the complained product if available, and requests a credit note. PTC Officer informs complainant that the reimbursement will be arranged by our Customer Service department (see Annex 2.1). All other PH complaints where reimbursement is mentioned PTC Officer contact CQU. Then CQU confirm with the business for approval before PTC Officer contacts Orders UK.	GBS

Description	Assigned Roles & Document Reference

Radiology disposables and PH products used in radiology (Gadovist, Primovist etc.)

For Radiology disposables and PH products used in radiology reimbursement is not usually offered. If the customer asks about reimbursement, PTC Officer forwards the request to Regional Business Manager and ask for approval, and adds in CC email address of Key Account Manager who reported the original complaint to GBS. Once the approval is received, PTC Officer sends an email to *Ukcustomersupport@bayer.com* attaching case details and request the reimbursement.

IUS products

For IUS products a replacement is arranged via Medical Information upon complainant's request only if it was requested by HCP, not directly by consumer. In case request for reimbursement is received by GBS, PTC officer forwards it to Medical Information.

Breelib

3rd party supplier E4H arranges replacement devices with no involvement from Bayer.

Betaferon/Autoinjector

The respective care companies: Lloyds Pharmacy Clinical Homecare and Healthcare At Home, organize product replacement for the patient.

4.1.11.2 Complaints from Ireland (PH, BT and CH products)

PTC Officer forwards the complaint's details to the IE Product Manager who arranges reimbursement or replacement.

4.1.11.3 Complaints from Malta

The responsible person who arranges the replacement and reimbursement at Alfred Gera & Sons Ltd is Katrina Grech *kgrech@alfredgera.com*.

Remark

Suspected falsified including counterfeit cases

Reimbursement is not provided. In case of escalation the reimbursement request is forwarded by PTC Officer to CQU.

4.1.12 Exceptions and special cases

Complaints from Health Authorities

Complaints received from Health Authorities require investigation, therefore such complaints are processed in IQMS as PTC (no abbreviated workflow is applicable).

GBS is not entitled to communicate with Health Authorities.

Description	Assigned Roles & Document Reference

Once GBS receives cases involving Pinewood, Pharmapac, Perrigo, Gideon Richter or DAU with no batch number and no sample available, PTC officer logs the case to IQMS and then notifies CQU by sending an email with the complaint ID.

Complaints concerning Diprobase Advanced Cream for UK and IE

Diprobase Advanced is no longer owned by Bayer. The current owner is Phoenix Labs.

Complaint details received by Phoenix Labs:

Phoenix Lab registers the complaint in their own complaint database and shares complaint details with GBS. GBS PTC Officer registers the complaint in IQMS and sends the complaint ID to Phoenix Lab.

Complaint details received by GBS PTC team:

GBS Officer forwards all complaint details to Phoenix Lab and sends the complaint ID after entering the complaint to IQMS..

Phoenix Lab is responsible for obtaining all missing information from the complainant and for performing sample retrieval and shipment to RQU.

Phoenix Lab provides case number which PTC GBS Officer adds in attachment section field in IQMS.

Once the investigation is completed CQU prepares the response letter to Phoenix Lab.

Contact email address to Phoenix Labs: *medicalinformation@phoenixlabs.ie*

Suspected falsification including counterfeit complaints concerning Testoviron or Proviron.

GBS PTC Officer forwards complaint details concerning suspected falsification including counterfeit cases to CQU who is responsible for all contact with the complainant, including obtaining all missing information. CQU shares all acquired information with GBS PTC Officer, who enters the case into IQMS.

Cases from Amazon

For cases where complainant mentioned that Amazon was involved, GBS PTC officer requests whether the product was sold by 3rd party or directly by Amazon.

If 3rd party was involved, then GBS PTC officer requests the seller's details. (Annex 2.1).In IQMS include E-commerce as reporting source and in comment field record that Amazon was involved .

Description	Assigned Roles & Document Reference

4.1.13 Others

4.1.13.1 Breelib (UK)

Reports with complaints referring to Breelib are received from 3rd party supplier E4H or the Pharmacovigilance Team. They are recorded in Breelib Safetrack Reporting tracker which is stored on SharePoint. Here references, sample returns (done by supplier) and investigation results are logged.

Upon receiving the complaint, PTC Officer is required to take the following steps:

- Enter the complaint into IQMS, if the AE is involved, request the AE number from the PV.
- Populate Breelib Safetrack Reporting tracker with Bayer reference (SSF number) and IQMS number as an acknowledgment.
- Add the investigation result in Breelib Safetrack Reporting tracker with date and highlighted in yellow.

Every 2 weeks an email is sent to Costa Rica *medicaldevice.complaints@bayer.com* with a screen shot of devices being returned to the manufacturing site Vectura for investigation (see "Devices sent to Cambridge" tab in Breelib Safetrack Reporting tracker).

E4H is responsible for sample shipment to RQU.

Contact email addresses:

E4H: *breelib@e4h.co.uk*
Costa Rica*:* *medicaldevice.complaints@bayer.com*

Remark:
No PSP form are provided by E4H. PTC Officer attaches to IQMS only a report provided by E4H or PV. PTC officer populates the comment filed in IQMS with PSP number.

4.1.13.2 Betaferon/Autoinjector (UK)

There are two external care companies involved in patient care: Lloyds Pharmacy Clinical Homecare and Healthcare At Home. They send Betaferon report forms to Pharmacovigilance UK which then forwards these to GBS.

Once PTC Officer receives the report form, an acknowledgment with Bayer reference (SSF number) is sent by an email to Lloyds Pharmacy Clinical Homecare or Healthcare At Home. If more information is required (the batch number, sample availability), then this is also requested in the acknowledgment email.

If the care company advises no further information is available, but there is consent to contact the patient in the form, then PTC Officer sends the usual request regarding the batch number and sample availability to the patient.

Sample handling is performed by PTC Officer as mentioned in 4.1.5.

Lloyds Pharmacy Clinical Homecare: *Pharmacovigilance@lpclinicalhomecare.co.uk*
Healthcare At Home: *Faultymedicinesanddevices@hah.co.uk*

Description	Assigned Roles & Document Reference

4.1.13.3 Radiology (UK)

When a radiology query/complaint is received the below are different handling scenarios.:

A. Radiology injectors queries

A.1. Queries that are linked to maintenance or service issues / maintenance service requests (e.g. error messages prior to use), also faults, which should be investigated by an engineer, do not require PTC initiation in IQMS and processed as follows:

- If case received from customer directly to Quality mailbox PTC officer forwards this to *Ukcustomersupport@bayer.com* to arrange service support.
- If case received by Medical Information PTC officer sends acknowledgement that a PTC will not be raised.

A.2. Queries that are linked to potential Adverse Event and either PTC or maintenance/ service issue are entered as complaints in IQMS. The complaint is notified to the Regional Business Manager for their awareness.

B. Radiology disposables queries

In case a radiology complaint is received directly from customer to Quality mailbox or via Medical Information, GBS enters it as complaint in IQMS. The complaint is notified to the Regional Business Manager for their awareness.

Contacts to Regional Business Managers are stored in SharePoint: go/ptcops.

4.1.13.4 Complaints from Ireland

Complaints are received via Medical Information Ireland (*medinfo.ireland@bayer.com*) or ADR Ireland (AEs) and may include the Product Manager in copy.

After a complaint is handed, an automatic reply is sent out to Conduent.

Once the complaint is received, PTC Officer sends an acknowledgement email (see Annex 2.2) to the complainant and copies the IE Product Manager in CC.

Any missing information such the batch number and the sample availability are obtained by GBS using Annex 2.2.

If a response letter is required, PTC Officer notifies CQU and provides the complaint ID. Then CQU forwards response and copies in IE Product Manager.

Contacts to IE Product Managers are stored in SharePoint: go/ptcops.

4.1.13.5 Complaints from Malta

Complaints from Malta are received from Alfred Gera & Sons Ltd. (distributor) on the PTC form, including the batch number and sample availability. If there is an AE, the responsible person from the distributor requests this from UK PV and provides GBS with the AE reference. If the complaint is received directly from the complainant, PTC officers forwards it to Alfred Gera & Sons Ltd. (distributor) for further handling. Alfred Gera & Sons Ltd is responsible for obtaining all missing information.

Once the complaint is received an acknowledgement email including the Bayer references (SSF number) is sent to Malta.

Description	Assigned Roles & Document Reference

A pdf copy of the closed IQMS assessment is sent to Malta for information (only for PTCs, not UIs).

The responsible person at Alfred Gera & Sons Ltd is Katrina Grech *kgrech@alfredgera.com*

When complaint is received from Malta on one of the below product PTC officer notifies quality responsible person providing IQMS number as per below table.

Product	Quality responsible person	e-mail
